AARHUS UNIVERSITET

Århus Universitetshospital 

## Dear friends and colleagues

THE AARHUS TALKS is the first, in a planned row, of interactive meetings between paediatricians, adult urologists and paediatric urologists to share, discuss and agree on a multitude of current issues in paediatric urology. There is an inherent need to achieve common understanding on the nature, diagnosis, follow-up and treatment of different congenital conditions of the urinary tract and genitalia.

This first meeting will focus on ***neurogenic bladder, hydronephrosis, congenital vesicoureteral reflux and Disorders of Sex Development.***

All sessions will be introduced by a short presentation by well-known panelists, followed by interactive case discussions with the audience, thus enabling participants to present and discuss cases in a multidisciplinary setting. Discussions will be supported by an interactive personal device voting system.

Ample time for discussion is essential and will be prioritized at this meeting.

Last but not least the meeting will be set in the stunning surroundings of Hindsø Slot, an ancient restored castle which presents itself best in the gleaming colors of the Danish autumn.

## Faculty

Paul Austin	Professor, paediatric urology, Houston, USA
Peter Cuckow	Professor, paediatric urology, London, UK
Jens Christian Djurhuus	Professor, Aarhus, DK
Jørgen Frøkiær	Professor, Nuclear Medicine, Aarhus, DK
Claus Gravholt	Professor, endocrinology, Aarhus, DK
Gundela Holmdahl	Consultant, paediatric urology, Göteborg, SE
Gitte M. Hvistendahl	Consultant, paediatric urology, Aarhus, DK
Konstantinos Kamperis	Consultant, paediatric nephrology, Aarhus, DK
Katharina M. Main	Professor, growth and reproduction, Copenhagen, DK
Stuart O'Toole	Consultant, paediatric urology, Glasgow, UK
Philip Ransley	Professor, paediatric urology, London, UK
Yazan F. Rawashdeh	Consultant, paediatric urology, Aarhus, DK
Søren Rittig	Professor, paediatric nephrology, Aarhus, DK
Serdar Tekgül	Professor, paediatric urology, Ankara, TR
Jian Guo Wen	Professor, paediatric urology, Zhengzhou, PRC
L. Henning Olsen	Professor, paediatric urology, Aarhus, DK

## Organizing committee

Gitte M. Hvistendahl  
Yazan F. Rawashdeh  
Ejvind U. Poulsen  
L. Henning Olsen (Chairman)

## Venue

THE AARHUS TALKS will be held at the Hindsgavl Slot Conference Centre, Middelfart, Denmark. [www.hindsgavl.dk](http://www.hindsgavl.dk)
